From our President:

The 2016 season started out with a deadly hurricane warning which thankfully missed our wonderful park! The board has worked hard as a group to keep our park on an even keel throughout a series of employee issues. We now have a new manager, Todd Holcomb, who will be starting March 6th. A reception for him will be held at the clubhouse March 8th at 4 pm. We also have hired Pattie Nager in the office who is very competent and has a wealth of knowledge. She has volunteered in the office since last summer. We have retained David Reisinger as a CPA who will do our bookkeeping at a very reasonable price.

We welcome our large number of new shareholders who we hope will become active members of our many committees and functions. Our park revolves around our volunteers, without them OR would not be as wonderful as it is! I think our shareholders should be confident that their board is working in a positive direction and that the future of Ocean Resorts looks very bright. Our board is very committed to Ocean Resorts and making it the best it can be.

Don't Forget the Food Bank!!

As our Snowbirds prepare to fly north for the summer, we remind you that it's time for our spring Food Drive, in conjunction with the Mail Carriers' Stamp Out Hunger campaign. We will begin collecting food in mid-March, and we welcome those non-perishables in your cupboards that are still fresh but might not be so good when you return. We will have a collection box in the library from mid-March until Mother's Day weekend when our mail carriers will truck all the food to the food bank. And remember, the Treasure Coast Food Bank (401 Angle Road, Fort Pierce 34947) welcomes donations, food and/or cash, all year long. Hunger knows no off-season.

Cathy Moon

The ABC's of Ocean Resorts:
